

Prof. Rossie Glodeck -

Began her first class with teaching her pupils how to fall onto the floor correctly, then how to raise & lower the arms. She used a drum.

She has a strong clear voice - at times melodious.

" is a small, thin blackhaired woman, with a large bun of hair tightly drawn to the back of her neck. About 20 in the class. She then went on to show to raise & lower the leg & knee.
